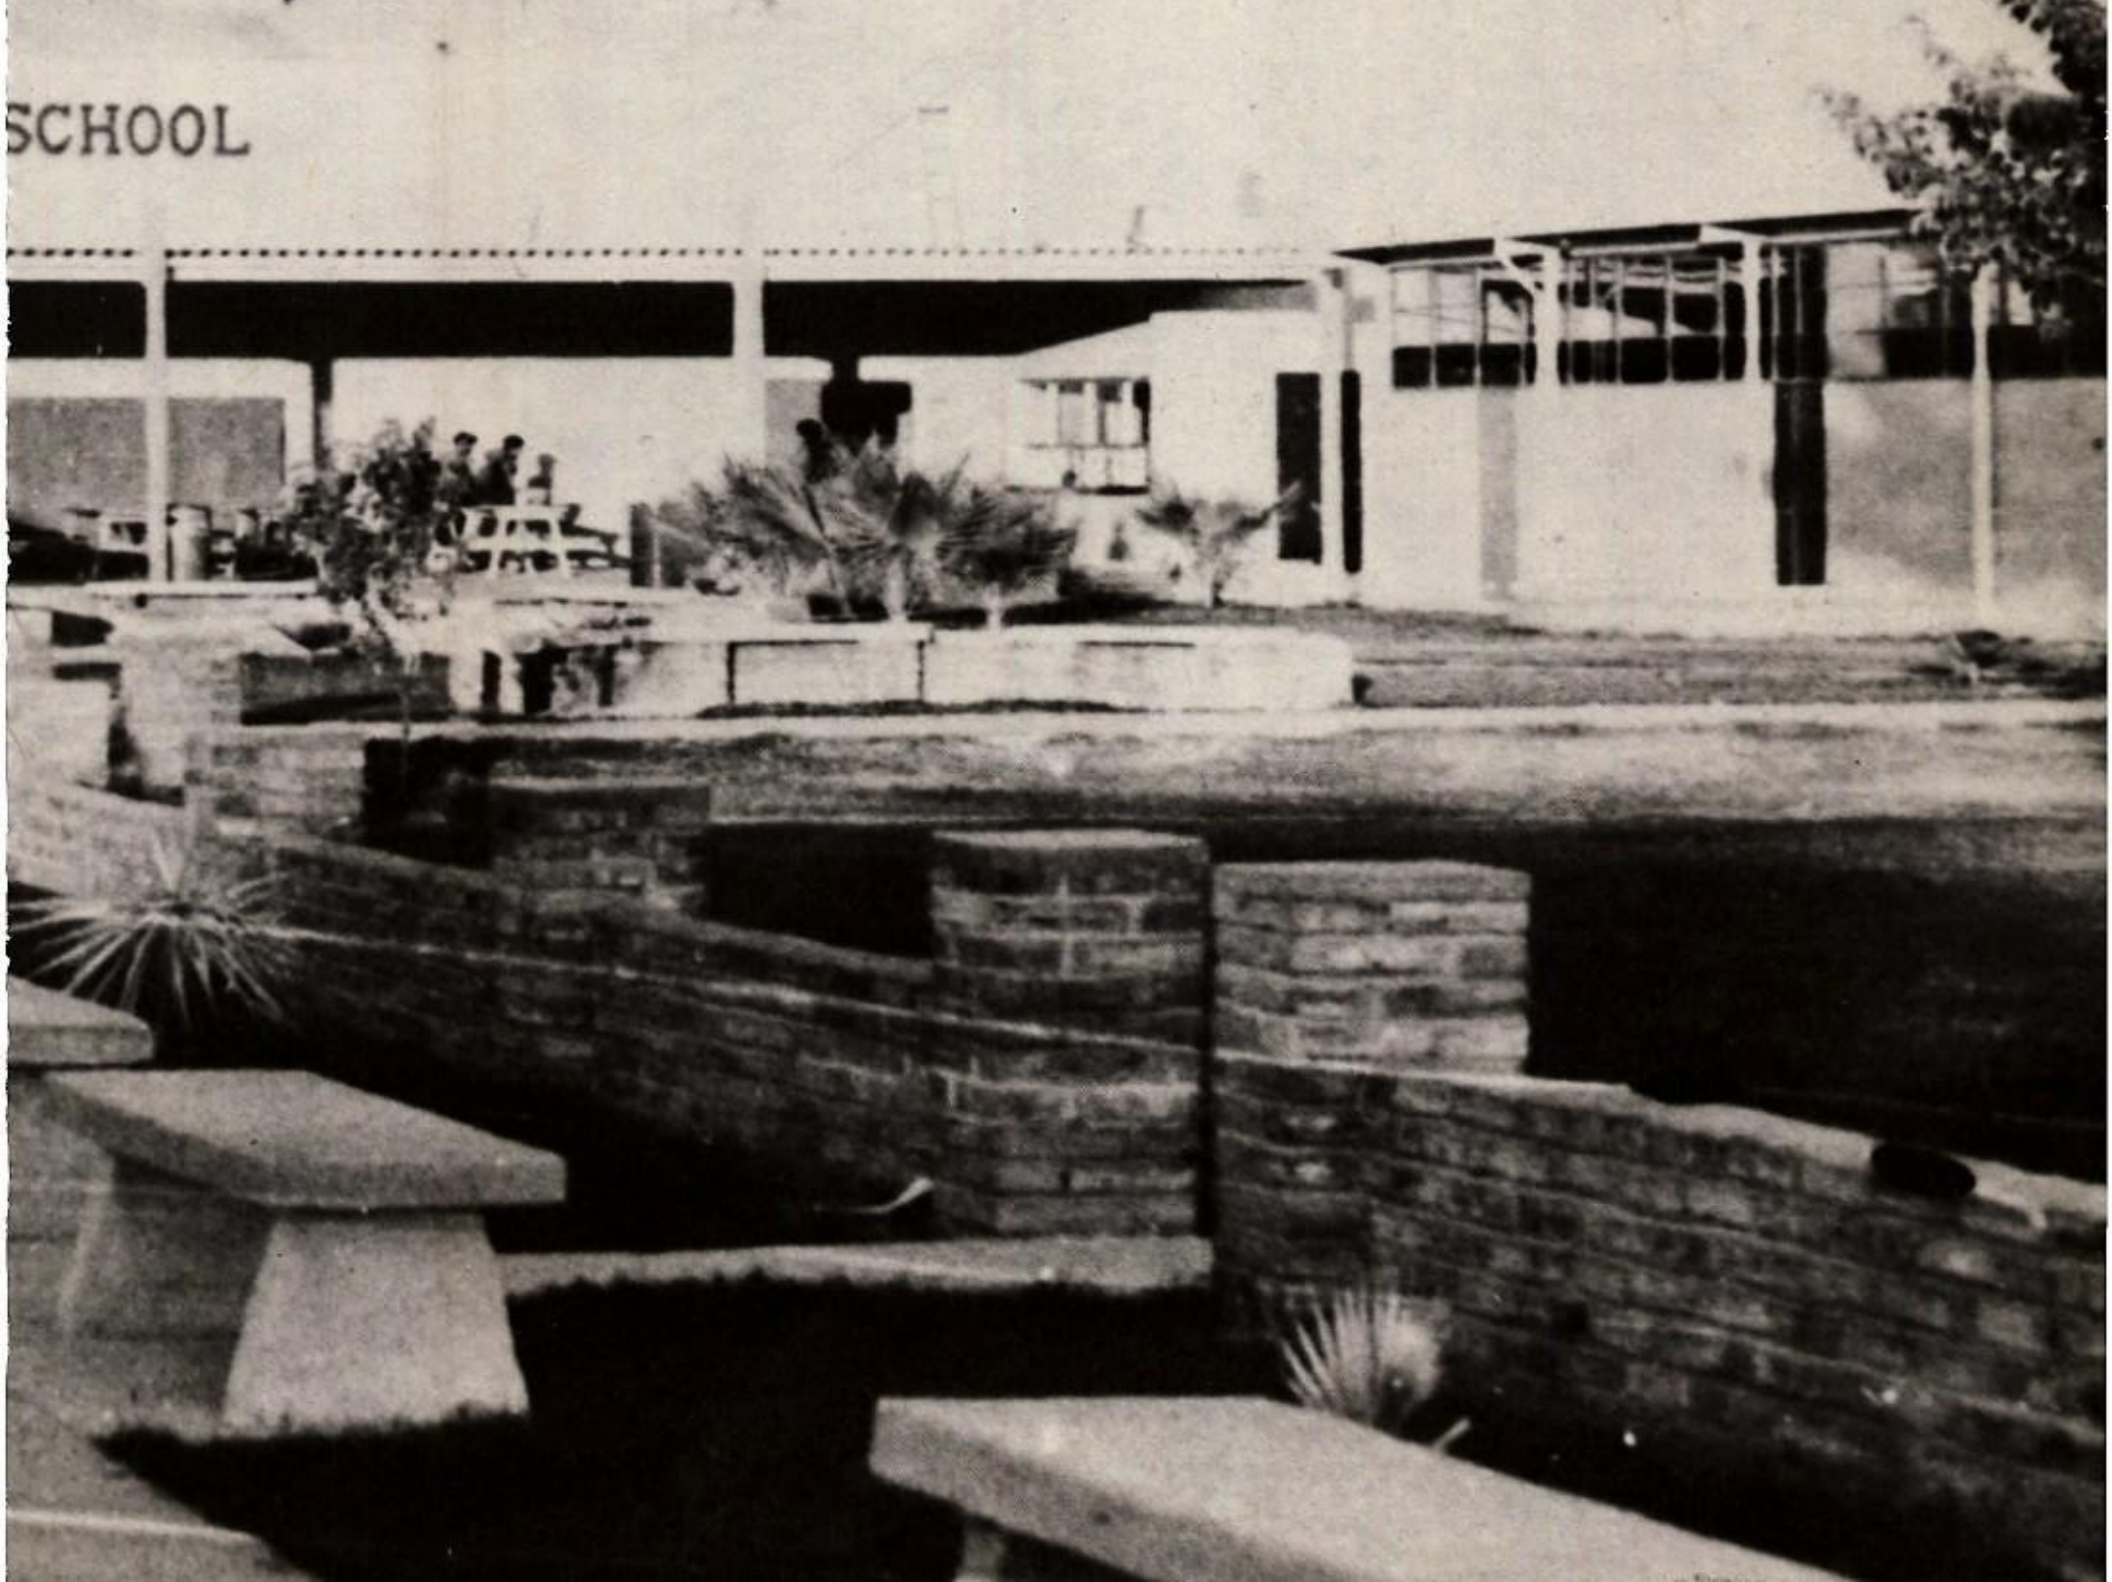
SCHOOL



PRIDE

O great spirit, please open our eyes unto the earth so we may see what needs to be done in that we may have the pride which thou has granted us.

O great spirit, please open our eyes to our surroundings and help our hearts to understand and then help us replenish and rebuild that which the fire had kindled.

O great spirit, open our hearts so we may feel your love and help us to pass this love to all earthly creatures.

O great spirit, grant us these things and give to our hearts the PRIDE we hope to keep forever.

Pride is all we ask. Pride in our administration, Pride in our school, Pride in our community, but most important, Pride in ourselves.

Lettermen living it up!

The Lettermen's Club in the 3 years has grown and prospored. The turn out each year varies between 40 to 50 boys and has led to increased participation in athletics. Over the past 3 years the club has raised over $3,000 which has been funneled back into the school. Some of the projects which have been supported by this money are the Hitters Club pictures and banner which is in the gym. The "Home of the Warriors" also.
